

# No. 15.

## LEGISLATURE OF NORTH CAROLINA.

RALEIGH, DECEMBER, 1838.

---

### SENATE.

THE COMMITTEE ON FINANCE HAVE INSTRUCTED ME  
TO PRESENT THE FOLLOWING

## REPORT.

That they have carefully examined all the books and vouchers in the Treasurer's and Comptrollers offices, and find that they correspond with the reports made by the two officers presiding over those departments, to the present General Assembly, for the two last fiscal years ending the 31st October, 1838. They have, also, examined the Deposites in Bank, and find them to correspond with the amount stated in the Treasurer's Report. The vouchers which have been examined by the Committee in the Comptroller's office, have been all cancelled. As far as your Committee can judge, all the accounts have been kept in conformity with the laws regulating those departments. The Committee think it but justice to say, that much credit is due to the Comptroller and Treasurer, for the able and faithful manner they have discharged the duties of the departments over which they preside.

Respectfully submitted.

EDWARD JONES, *Chairman.*
